CIRCULAR.

To

The Inspector-General of Police and all District Magistrates of Districts.

Several instances of serious and sometimes fatal accidents due to the illicit manufacture and possession of 'Bellulli Pattas' (throw-downs or small bombs used during Deepavali, Shaban and other festivals) have come to the notice of Government. An accident that occurred in Darjipet, Bangalore City, on 25th September 1925 in which two liveswere lost is an instance of what may result from negligence in handling them. As Bellulli Pattas are explosives a license is necessary under Articles 9 and 10 of Schedule I of the Mysore Explosives Rules to manufacture and possess them.

2. With a view to prevent accidents, it is requested that notices be published throughout the districts in Kannada in such form and manner as will ensure the greatest publicity, calling attention to the highly dangerous nature of the mixture of Arsenic Sulphide and Potassium Chlorate and pointing out that the manufacture and possession of such a mixture except under a lincense is contrary to, and is punishable under the Law.
